THE WEXNER FOUNDATION

Strengthening Jewish Leadership in North America and Israel

The goal of The Wexner Foundation is to be a source of enduring benefit to humankind, with a special commitment toward strengthening Jewish life in North America, Israel and throughout the world. The priority of the Foundation is the enhancement and improvement of Jewish leadership.

The career areas designated for Wexner Graduate Fellows are:

- Cantorate
- Jewish Communal Service
- Jewish Education
- Jewish Studies
- Rabbinate

The Wexner Graduate Fellowship Program is designed to attract and support the most promising and talented Jewish men and women to pursue careers in professional Jewish leadership; to provide the best possible context for them to engage in professional graduate training; to enable them to interact extensively with outstanding Jewish leaders and with one another; and ultimately, to enhance the attraction of these careers of Jewish service, which are so vital to today's Jewish community.

Awards

Wexner Graduate Fellowships cover all tuition expenses and required fees plus a generous living stipend, the amount and terms of which are set in advance of each academic year.

Fellowships are granted for a two-year period and may be renewed for a one- or two-year term by the Graduate Fellowship Committee. Each year of funding is contingent upon evidence of satisfactory academic achievement.

Fellows are required to engage in full-time graduate study.

It is the purpose of this program to provide a context for graduate study that is free from distraction. Therefore, Wexner Fellows may engage in independent employment during the academic year only with the permission of the Director.

Fellows are required to participate in special programs held during the course of the year and annual interdisciplinary institutes sponsored by the Foundation. The purposes of these programs are to create a cohesive fellowship community and to impact upon the leadership and skill development of each Fellow.

Wexner Graduate Fellows are afforded unique opportunities for ongoing interaction with outstanding Jewish leaders and for extensive interchange with each other. Fellows participate in an experience intended to be of enduring benefit.

Eligibility

Fellowships are awarded to North Americans who are college graduates and who plan to enter a qualifying graduate program. Wexner Graduate Fellowships are limited to those who have not yet begun their professional training. Applicants with graduate work in a different field, who wish to move into one of the above areas, are also eligible. Only individuals who plan to pursue a career in the North American Jewish community are eligible to apply to this program.

Awards are given to outstanding candidates who have a strong personal commitment to the Jewish community, who have demonstrated excellence in academic achievement, and who possess the potential to provide outstanding professional leadership that will shape the future of Jewish communal life in North America.

The Wexner Graduate Fellowship is a program focused on the development of promising young Jewish leaders. Applications are limited to candidates who are between the ages of 20 [college graduates] to 40 years.

The Wexner Graduate Fellowship seeks to strengthen professional Jewish leadership in North America. Wexner Graduate Fellows commit to serve in the North American Jewish community as a Jewish professional one year for each year of Foundation funding.

Grant Procedure Modification
Pursuant To Reg. 53.4945–4(d)

Grant Making procedures as provided under your advance approval letter dated 5–25–88(copy attached) have been modified. The Foundation believes the modification does not materially change the procedures from those described in the request to the Commissioner.

Providing the following modification is determined to be material, we request approval of the modification.

Modification– Living stipends are paid directly to individual fellows/fellas when college or university refuses to accept and disburse living stipend funds to the respective fellows/fellas. The Foundation correspondingly assumes expenditure responsibility under Sec. 4945(h) for the living stipend payments.
